HEALTHBERRY®

is 100% natural, constant and highly stable

- 100% derived from wild, high-quality bilberries and blackcurrants from Scandinavia and New Zealand
- Proprietary production process retains the full potential of the component anthocyanins
- A constant, stable composition to help avoid seasonal fluctuations
- Highly stable, with a shelf life of more than 4 years

Scientific evidence continues to mount regarding the potential of berry anthocyanins and Healthberry® across multiple health areas.
