

Nutraceutical Solutions

Innovative health ingredients and functional coatings for improved delivery.

ADVANCED FOOD INGREDIENTS

Science-based health benefits to differentiate your nutraceutical brands

AvailOm®

AvailOm®

- 50% EPA/DHA concentration in powder – highest in its class
 - 5 times more bioavailable than standard omega-3 softgels
 - Directly compressible and easily combined with other ingredients
 - Unmatched oxidation protection with 4 years stability
- **AvailOm® 50 High DHA Algae**
An algal oil-based grade ideal for vegans and vegetarians.
 - **AvailOm® 50 High DHA**
A fish oil-based grade ideal for use during pregnancy and early motherhood, or to support eye and cognitive health in later stages of life.
 - **AvailOm® 50 High EPA**
A fish oil-based grade to support heart health at all life stages.

HEALTHBERRY®

Healthberry®

- An anthocyanin-rich powder for functional food and beverages
- Derived from natural bilberries and blackcurrants
- Constant, stable composition with 40 % anthocyanins on average
- Patented process avoids seasonal fluctuations in natural ingredients

REXIVA®

Rexiva®

- Highly purified amino acids suitable for all nutritional applications
- Backward integration for the majority of products
- Suitable for medical and infant nutrition

EUDRAGUARD® FUNCTIONAL COATINGS

A toolbox of functional solutions to boost performance and consumer convenience

Increase bioavailability

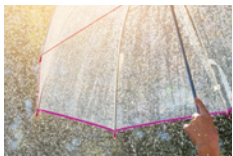

Extend stability

Improve protection

Process gently
