

# Sustainability drives us

## Evonik Health Care targets and commitments by 2030\*

### HANDPRINT

We aim to:

- Generate more than 70 percent of our total revenue with Next Generation Solutions.
- Replace raw materials of animal or fossil origin with bio-based alternatives wherever possible.
- Contribute to preserving biodiversity.

### HEARTPRINT

We aim to:

- Create positive narratives to translate passion for sustainability into action at work and at home.

WE GO BEYOND  
CHEMISTRY  
TO IMPROVE  
LIFE, TODAY AND  
TOMORROW.

### FOOTPRINT

We aim to:

- Become climate neutral in Scope 1 and 2 emissions.
- Reduce our freshwater consumption by 3 percent.
- Reduce our production waste by 10 percent.
- Reduce our Scope 3 emissions by 11 percent.
- Operate all Evonik Health Care sites with 100 percent green electricity.
