## Still sourcing pharma-grade squalene from sharks?

Evonik has developed PhytoSquene® – a plant-based alternative to shark-derived squalene.

Squalene is used in influenza

Vaccines

Immunization has saved over MILLION lives in the past 50 years.

SHABIANT OF THE STATE OF THE ST

play a crucial role in our ecosystem, helping to ensure a healthy ocean and climate.

Sharks help protect seagrass, which absorbs carbon

faster than rain forests.

There are more than

5550

species of sharks in our oceans today

Squalene is sourced from shark livers.
